UNI SERIES
BT-03B//ITX TOWER

Product	computer case
M/B support	mini ITX
Color	black

BT-03B – a tiny case offering vast possibilities. You have plenty of options to put this mini ITX case to use. It's small and compact in form but still offering enough space to install standard components. An additional cage at the bottom of the case and optimized airflow due to air intake holes at the side walls of the case show the actual trends in case design.
